“Road safety Awareness Campaign”

Title:Road safety Awareness campaign 04th February 2021.

Objective: Our main objective is to provide road safety information for road users to encourage safer road user behaviour among current and prospective road users and reduce the number of people killed and injured on our roads every year

Abstract:

In today's world road and transport has become an integral part of every human being. Everybody is a road user in one shape or the other. The present transport system has minimized the distances but it has on the other hand increased the life risk. Every year road crashes result in loss of lakhs of lives and serious injuries to crores of people. In India itself about eighty thousand people are killed in road crashes every year which is thirteen percent of the total fatality all over the world. Man behind the wheel plays an important role in most of the crashes. In most of the cases crashes occurs either due to carelessness or due to lack of road safety awareness of the road user. Hence, road safety education is as essential as any other basic skills of survival.

Main Contents:

There should be awareness among the general public about traffic and road safety and through it the number of accidents should be reduced and there should be no loss of life and property. Therefore, Road Safety Week is celebrated every year as per the instructions of the Central Government. This year this week It is being celebrated from 18th January 2021 to 17th February 2021. In that connection, NSS and Department of Chemistry Late Pushpadevi Patil Arts & Science College Risod has installed radium on bicycles, bullock carts and tractor trolleys at adopted village Savad. Awareness was created under the guidance of Dr. J. B.

Devhade. Rules should not be violated while driving, careless driving endangers the life of the passenger along with the driver. Therefore, there is a need to create awareness among the people to prevent accidents and for safe travel. We need to take proper care while driving people through the road safety week as well as while walking on the road. For this, awareness was created by explaining the importance of traffic rules. Special **Mr. Dhananjay Thackeray, Dilip Pawar, Dilip Jadhav, Digambar Vaidya** are **Police Officer, Rural Police Station Risod**, provided valuable guidance and assistance on behalf of the police administration to create awareness about traffic and road safety. For this public awareness and success, NSS Program Officer Shri. T. C. Bhoyar, Co-officer Shri. K. V. Kokate, Ladies Co-officer Dr. A. P. Bhagat, from the Department of Chemistry, HOD Dr. K. F. Shelke, Dr. A. D. Badar, Dr. P. S. Phatak, Dr. A. R. Jadhav as well as the students worked hard.

Outcomes: All the participated students, road users and farmer get aware regarding road safety, traffic signal, use and importance of radium for night driving and should what care take to avoid accidents and what rules we should follow while driving
