## Best Practice Report (2018-19)

### Eco friendly Rakhi Making Competition (Skill oriented Activity) on the occasion of Raksha Bandhan

#### Title:

Eco-friendly Rakhi making competition as a skill-oriented activity to create awareness against the Pollution. Competition conducted on 27/08/2018

#### Objectives:

To create the awareness in all the B.Sc. Botany students about role of plastic, Thermacol and other banned component like animal's body parts which was held on 27/08/2018

#### Context:

To save Environment from pollution, create Awareness about toxic and hazardous material which is usually used in decoration and that has been banned by Indian government, On the basis of that assessment we had organized Eco-friendly Rakhi competition as a skill oriented on the occasion of Raksha Bandhan on dated 27<sup>th</sup> Aug.2018. The Programme was organized by department of botany. The Programme was coordinated by Dr.K.M.Ranjalkar head of botany department. Principal Dr.J.B.Devhade was present in this Programme and guided to students about how environment get polluted by commercial Rakhi and it can be avoided by using eco-friendly Rakhi. Total 49 students were participated in this competition. The prizes were distributed to topper students by principal.

#### The Practice:

This competition was held on 27/08/2018, use of plastic, Thermacoal and non-degradable products used in making of Rakhi's, we guided to students for conservation of plants and animals or Nature. While we also encourage all students for use of substitute like cotton fabric, papers, flowers, seeds, fruits or nut shells and spices also. In this competition participated 42 students and they are benefited. Encourages such students prepared by best in this activity. Prizes to be given the students First prize Ku Jayashri Sadar, Second Prize Ku Manisha Satpute and Third prize goes to Ku Anjali Khodve, also given to the students to prepare Good rakhees for this

Consolation prize for Ku Aishwarya Narwade and Ku Nikita Wagh. Dr. J.B. Devhade, Principal/President was present in this activity. Guests: Mrs. Sunita Karhale, Department of Marathi & Ku. S. G. Kale, Department of Computer Science, Late Pushpadevi Patil Arts & Sci. College, Risod. All the botany students, has become responsive and create excellent handmade Rakhees with Plant material like Leaf, Flowers, Seeds and Fruits such as spices, ornamental seeds, Grains, pulses, cotton fabric, woolen and many more decorative things. And they also adapted all needed skills due this activity.

**Evidence of Success:**

All participants Students demonstrating Rakhi

### Problem Encountered and Resources Required:

The material such as Leaf, Flowers, Seeds and Fruits such as spices, ornamental seeds, grains, pulses, cotton fabric, woolen (Natural degraded products) and many more decorative things had to be collected while making eco-friendly Rakhi. Also, making eco-friendly Rakhi requires a lot of meticulous work and it takes lot of time. This is a competition for students so it has to be examined in details and the examiner has to look very closely details to extract the number of students.
